## Text 1: How to make tea

Making tea with milk and tea leaves is a straightforward process. First, you pour water into a pot and set it on the stove. As the water heats up, you add tea leaves to it and let them steep. After a few minutes, you add milk to the pot and continue to simmer. Finally, you strain the tea through a sieve into a cup, and it's ready for you to enjoy.

## Text 2: How to make a Fruit Smoothie

Creating delicious smoothies with various fruits is a delightful experience. Begin by gathering your favorite fruits. First, peel and chop them into smaller pieces. Then, place the fruit chunks into a blender. Add a dollop of yogurt or a splash of milk to make the smoothie creamy. If you have a sweet tooth, you can include honey for extra sweetness. Blend all the ingredients together until the mixture becomes smooth. Don't forget to add ice cubes for a refreshing touch. Pour your colorful creation into a glass, and your fruity smoothie is now ready for a refreshing sip.
