

# Aliya's Birthday Party

Underline all the nouns in the following Passage.

Aliya was really happy because it was her birthday. Her house looked so pretty with colorful decorations, and it smelled yummy with freshly baked treats. Aliya's family and friends came over, bringing gifts and big smiles. Kids played games and laughed a lot. Aliya was excited to open her presents. The best part was the cake her mom made, with candles to blow out while everyone sang. They had fun playing games, listening to music, and eating tasty food. When it got dark, the backyard looked magical with twinkling lights. They even danced under the stars. Aliya's birthday party was super fun, full of love, laughter, and good times with her favorite people.
